

QUEEN'S WHARF
LONDON W6

Exchanging Places

COME DOWN TO OUR FREE CYCLIST ROAD SAFETY EVENT - Bring your bicycle along!

Monday 5th December from 4pm-6:30pm

(at the junction of Queen Caroline St & Crisp Rd next to our Queen's Wharf Site)

Mount Anvil have teamed up with the MET Police and LB H&F in order to educate cyclist and pedestrians about road safety with regards to construction. The **Exchanging Places** campaign is aimed both at cyclists and pedestrians. We want to get both into the cab of a lorry so that cyclists and pedestrians can experience the driver's perspective.

The black mat area, to the left and front of the lorry, shows where the driver's blind spots are – did you know that?

We will also have professional cycle technicians available to offer free Dr Bike check-ups and basic services on your bike. MET Officers will also be on hand to provide free security marking for your bike.

Adults and children's bikes welcome!
We look forward to seeing you all then.
